

ST. TERESA SCHOOL, INDIRAPURAM

Dear Parents,

Discipline plays a major role in smooth and excellent functioning of any school. We at STS also believe the same hence we make sure that proper dress code should be followed by all the people working under our roof. We expect all the visitors to follow the same discipline too.

Although it has been noticed that many parents come in casual dresses to drop their kids to school or wear very flashy clothes when they come to interact with teachers.

Henceforth parents are requested to wear formal clothes whenever they visit the school so that the decorum and dignity of the school is maintained.

Your cooperation and understanding with all of the above is greatly appreciated.

Regards

Academic Director
