Dear Parents

Greetings of the day!

As per the CBSE guidelines two levels Mathematics for All India Secondary School Examination is introduced from academic session ending March 2020 onwards. The mathematics (Standard) is for those students who wish to opt for Mathematics (041) at Senior Secondary level and the mathematics (Basic) for easier level of Mathematics examination.

Books, syllabus, teaching methodology, exam pattern and internal assessment will remain the same. Although standard of the question paper will be different.

Students who have opted for Standard Mathematics will be able to choose PCM and other streams as well. Students who have opted for Basic Mathematics will be able to select Commerce or Humanities with Applied Mathematics.

Kindly make choice for your ward with prudence, as once made it will not be reversed.

Best regards.  
St. Teresa School
