INDIRAPURAM GHAZIABAD

Launch of Entrepreneurship Club (eClub) *In collaboration with ThinkStartup*

Dear Parents,

St. Teresa School, Indirapuram, is pleased to announce the launch of **Entrepreneurship Club (eClub)** in collaboration with **ThinkStartup**. Think Startup is India's leading entrepreneurship education provider for Schools and official partner for CBSE Youth Ideathon and MEPSC (Under Ministry of Skill Development).

The **eClub** offers students a space to discover and develop their entrepreneurial strengths. During the sessions students will be systematically guided to build entrepreneurial competencies such as opportunity identification, ideation and innovation, product development, business planning, financial modelling and business concepts such as branding and marketing. The program ends with a showcase day where students put their entrepreneurial learnings to test in a real-life entrepreneurial showcase day.

Program Highlights

- Development of a student-led entrepreneurial project
- Access to pool of experienced mentors and guides
- Inspiring talks by real life entrepreneurs
- Opportunity to Compete in Innovation and Entrepreneurship Competitions
- Real Life Entrepreneurial Skills Showcase Day
- Enhanced student profiles for college applications and internships

As the world goes through rapid changes, entrepreneurial mindset is a key skill that will set students apart and provide them a path to future success and leadership roles. We encourage you to make the most of this opportunity.

Program Fee: 1800/- + GST per year
