Dear Parents,
Greetings from St. Teresa School!

We are delighted to introduce an exciting initiative for the academic session (2026–27) a dynamic student edition newspaper subscription designed exclusively for students of Classes 3 to 10. In collaboration with ‘Times of India and Hindustan Times’ leading educational partners, this program aims to foster a culture of reading, creativity, critical thinking, and real-world awareness among our young learners.

This specially curated daily student newspaper will be given to the students every school day at a nominal one-time payment of just ₹330 for 6 months (120 days), offering a wealth of engaging content such as:

- Interactive columns, brain teasers, and student-written articles
- Opportunities to experience the world of journalism and become a “Reporter of the Week”
- Competitions, quizzes, and creative writing contests.
- An exclusive educational movie screening.
- Hands-on workshops to build communication, leadership, and skills such as storytelling, dance, art and craft.
- E-weekend editions.

At St. Teresa School, we believe in nurturing well-rounded individuals. This program is not just a reading initiative—it is a journey that unlocks curiosity, builds confidence, and connects classroom learning to the wider world.

We sincerely invite you to enrol your child in this unique learning experience and be part of their growing journey beyond textbooks. **Last date to submit the money to the respective class teacher is 15 April, 2026.**

Let’s work together to make this academic year a memorable and meaningful chapter in your child’s development.

Warm regards

Ms. Meenushri Khanna
