

**St. Teresa School
Indirapuram, Ghaziabad
Session 2026-27
Syllabus
Class-KG**

The initial years of learning play a huge role in student's life. These years of fresh learning impact the physical, cognitive, emotional and social development of the students.

Our syllabus is designed to provide a child with solid foundation in various academics and social emotional skills. Our curriculum focuses on developing important skills such as literacy, numeracy, social and motor skills. It provides a well- rounded educational experience that prepares a child for future academic success.
