

St. Teresa School
Indirapuram, Ghaziabad
Session 2026-27
Syllabus Class: PREP

The initial years of learning play a huge role in student's life. These years of fresh learning impact the physical, cognitive, emotional and social development of the students.

The aim of Pre-Primary education is to attain an optimal, perceptual and motor, cognitive and socio emotional levels as the basic of readiness for education.

Our syllabus is designed to provide a child with solid foundation in various academics and social-emotional skills. Our curriculum focuses on developing important skills such as literacy, numeracy, social and motor skills. It provides a well-rounded educational experience that prepares a child for future academic success.
