Holiday Homework (2024-25)
Class III

Winter holidays are a great time to relax, recharge, and explore new interests! Make the most of your winter holidays by balancing fun and learning. Engage in research activities on the assigned topics and expand your horizons!

Subject	
Mathematics	Plastic waste is a global environmental issue that harms wildlife, damages ecosystems and can be harmful to human health. So, recycling and reusing plastic material can save our environment. Make a mat of size 1 feet 2 inches X 1 feet 6 inches using colourful plastic bags. Cut the plastic bags into long strips and interconnect the strips together to make a beautiful mat.
EVS	The Solar System is an awe-inspiring cosmic masterpiece of planets, moons, asteroids and comets. Draw and colour planets of the solar system and write unique features of each planet in the scrapbook.
